# You Can Assist with Responding to Cybersecurity Incidents in Texas

Texas Volunteer Incident Response Team (VIRT) provides eligible public entities rapid cybersecurity incident response assistance.

## Do you have Cybersecurity Incident Response (IR) experience and other technical or non-technical skills?

### Join Texas VIRT

<https://dir.texas.gov/information-security/cybersecurity-incident-management-and-reporting/texas-volunteer-incident>

#### ✓ Deployment

- Major statewide cybersecurity disaster with a Governor’s cyber disaster declaration.
- When multiple participating entities ask for assistance.

#### 📦 Logistics

- Deployed and coordinated by Texas Department of Information Resources (DIR).
- Travel and per-diem reimbursements provided for state assigned missions.
- No obligation to deploy if unavailable for any reason.

#### ★ Benefits

- Assist eligible organizations in Texas to respond to major cybersecurity incidents.
- Potential for cybersecurity training opportunities.
