2. this Agreement and all attachments hereto; and
3. Purchase Orders (as defined in the DIR Contract) issued under this Agreement.

2. Background

The Texas Department of Information Resources (DIR) is pleased to announce the bulk purchase of personal computers, laptops, tablets, monitors, peripherals, accessories, and related services for hardware solutions. By tapping into our existing contractual vehicles through our Cooperative Contracts program, DIR anticipates a much-shortened procurement process for Customers.

Pricing and eligible products shall be as set forth in Exhibit A, Pricing, of this Agreement.

3. Agreement Term

Texas state agencies and other eligible Customers (as defined in the DIR Contract) may issue Purchase Orders for eligible products beginning on the date of the last signature below through December 31, 2022.

4. Requirements

4.1 Ordering

There is no minimum order quantity under the bulk purchase. Regardless of the number of items purchased, each Customer will pay the same discounted unit price for items listed on Exhibit A, Pricing.

Customers must include the DIR Contract number and the phrase "**DIR Bulk Purchase Initiative BP2022-0041**" on all Purchase Orders issued under this Agreement. Failure to do so may result in a purchase not being considered a Bulk Purchase and as such be subject to state competitive procurement laws. Customers will submit Purchase Orders directly to Successful Respondent, or the applicable reseller, and forward a copy of the Purchase Order to bulk.purchase@dir.texas.gov.

4.2 Reporting

Successful Respondent shall report all sales under this Agreement through the Vendor Sales Report (VSR) portal. Successful Respondent is required to insert "yes" in column AA on the sales report for all sales made through this Agreement.
