

FY23-24 Certified Training Programs

In accordance with Texas Government Code 2054.519, the Texas Department of Information Resources (DIR) has certified the following cybersecurity training programs for state and local government employees. Please note that programs are certified for content, not other regulatory or statutory obligations.

[Vendor-Provided Training Programs](#)

[State Agency, Institution of Higher Education, or Local Government Training Programs \(Available to Other Organizations\)](#)

[State Agency, Institution of Higher Education, or Local Government Training Programs \(Not Available to Other Organizations\)](#)

Vendor-Provided Training Programs

Training Program Name	Provider	Topics for IT Roles	Assessment	Proof of Completion	Accessible	Phishing Simulations	Eligible users	Delivery method	Cost	Languages	Length (hrs)	Point of Contact	DIR Contract Number (DIR Vendor Name)*
Alterity Cybersecurity Awareness Program	Alterity Solutions, Inc.	N	Y	Y	Y	N	State Agency (including Higher Education and Junior College) Local Govt K 12 Other	Online	Y	English, other languages available for an additional charge	2	Molly Wolfe mwolfe@alteritysolutions.com 214-665-0214	
Managed Security Awareness	Arctic Wolf Networks Inc.	Y	Y	Y	Y	Y	State Agency (including Higher Education and Junior College) Local Govt K 12 Other	Online	Y	English, British English, German, Spanish	1.25	Arctic Wolf ask@arcticwolf.com	DIR-CPO-4766 DIR-CPO-4863 DIR-CPO-4696 DIR-TSO-4317 DIR-CPO-4868 DIR-CPO-4866

*State agencies are bound by state procurement regulations and therefore must select a program that is offered through DIR's cooperative contracts. If a state agency wants to procure an item available from DIR's contracts and services program through an avenue other than a DIR contract, the agency must request an exemption.
