

Invitation to Exhibit or Propose Speaker

TEXAS GOVERNMENT DATA FORUM 2019

Data - Driving the Direction of Government

Thursday, June 27 | Austin, Texas | www.dir.texas.gov

The Office of the Statewide Data Coordinator is pleased to announce the **3rd Annual 2019 Texas Government Data Forum** and invites the vendor community and industry experts to participate as exhibitors or speakers. Hosted by the Texas Department of Information Resources (DIR), this free conference benefits eligible customers from state agencies, local government, and education. DIR expects a similar turnout as last year which was attended by 235 public sector employees from more than 60 organizations. The event provides an excellent opportunity for learning and networking as well as exploring vendor solutions in the exhibit area.

Exhibitors (Early bird rate ends March 15)

Vendors with DIR contracts for data-related services and products are invited to exhibit and promote those offerings. The exhibit area features tabletop displays rather than large tradeshow-style booths, making for an easy setup appreciated by past exhibitors. Don't miss this unique opportunity to meet public sector decision-makers and showcase your DIR contracts. Space is limited, so [register early!](#)

EXHIBIT FEE SCHEDULE

Register

by 3/15/2019.....\$655
